CMPT 479 - D100 Spec.Topics/Computing Systems

Instructor(s): Ryan D'Arcy  
SFU Burnaby

Calendar Objective/Description: Spec.Topics/Computing Systems

Instructor's Objectives:
This course covers the business, management and entrepreneurial concepts that are important to engineers who manage projects, run businesses, or need to decide on the most efficient method for accomplishing a task. The topics to be covered include: financial accounting, rates of return, taxes, cost-benefit analyses, marketing, financing methods, and business plans. Students with credit for ENSC 201, ENSC 411, MSE 300 or SEE 300 cannot complete this course for further credit.

Prerequisites:
see go.sfu.ca

Grading:

Academic Honesty Statement::
Academic honesty plays a key role in our efforts to maintain a high standard of academic excellence and integrity. Students are advised that ALL acts of intellectual dishonesty will be handled in accordance with the SFU Academic Honesty and Student Conduct Policies (http://www.sfu.ca/policies/gazette/student.html).
